## *Welcome Message*

Dear Professors, colleagues and guests:

On behalf of the Central Public Health Laboratories and under the Patronage of H.E. the Minister of Health, it is our pleasure to invite You to join us on the 3<sup>rd</sup> Journey of "One Health Approach 2021".

One Health Approach is the collaboration of all sectors to achieve a harmonious life.

We are doing our best to maintain our role as the main leader in the field of laboratory and preventive medicine and we are honored to cooperate with our partners from different Organizations from Universities, Veterinary medicine organizations and institutes, National Food Safety Authority (NFSA) as well as the team of Ministry of health and population with the CPHL team.

We appreciate the great role of our partners from the private Medical sector and medical equipment companies.

An exhibit will be held during the conference days. All guests and participants will have access to the exhibition area, where they can get acquainted with the latest technologies and medical devices in related fields.

In spite of the global pandemic of COVID - 19 we are working very hard so we can maintain the continuity of our success story of uniting this number of scientific organizations in one meeting "One Health Approach 2021".

We are looking forward to welcoming you to the 3<sup>rd</sup> Annual Conference of Central Public Health Laboratories (CPHL) of Ministry of Health.
